

MILLTOWN RESERVOIR CLEANUP AND RESTORATION

US Environmental Protection Agency

Blackfoot and Clark Fork River Closures Begin Friday, September 1, 2006

To protect public health and safety during the cleanup and restoration of the Milltown Dam and Reservoir area, the Montana Department of Fish, Wildlife and Parks is closing small sections of the Clark Fork and Blackfoot Rivers near the dam. The clean up and restoration work is on-going and will continue for the next several years. For more information about the Milltown Reservoir cleanup project, please call EPA (Russ Forba, 457-5042, or Diana Hammer, 457-5040).

If you have questions about the river closures, please call Montana FWP at 542-5500.
